New Flavor and Fashion Coming to Ohio Valley

The list of tasty choices continues to grow at Ohio Valley Mall. Coming this November: **Panda**. This style of this new eatery might best be described as “Asian Fusion”, with menu offerings inspired by Chinese, Japanese, Thai, Vietnamese and other Pacific Rim cultures. This intimate 1,500 square foot restaurant will be located in front of Ohio Valley Mall, next the Starbucks Coffee drive-thru.

Panda will start serving customers just weeks after other great stores open inside the mall. **Boscov’s** department store and **The Children’s Place** will open their doors in October. **The Children’s Place** is a trusted children’s apparel retailer that will occupy more than 4,000 square feet of space in the main entrance concourse, next to King’s Jewelry.

The Children’s Place will offer a broad selection of shoes, pants, shirts, jeans, dresses, school uniforms and much more in sizes ranging from Newborn to “Big Boy” and “Big Girl”. The Children’s Place is the largest pure-play children’s specialty apparel retailer in North America. The company designs, contracts to manufacture and sells fashionable, high-quality merchandise at value prices, primarily under the proprietary “The Children’s Place” brand name. Currently the company operates more than 1,000 stores in the United States and several foreign countries. For more information about The Children’s Place, go to www.childrensplace.com.
